JASCOTS CORPORATE WINE EVENTS

JASCOTS CORPORATE WINE EVENTS

WHEN YOU'VE HIT THE BUDGET, DONE THE DEAL, SURVIVED THE CONFERENCE AND ARE LOOKING FOR SOME TIP-TOP ENTERTAINMENT, IT IS ABSOLUTELY RIGHT TO MARK THE OCCASION WITH A PROFESSIONAL, IMPRESSIVE AND, MOST OF ALL, FANTASTICALLY FUN EVENT.

The Jascots Wine Championship is the stuff of legend, unforgettable to all those who take part. A unique, witty and occasionally irreverent look at the art of Wine Tasting, "The Championship" can be competitive, is often boisterous and always joyously inclusive. It is the perfect antidote to stuffy and boring wine lectures and has always been enjoyed equally by wine enthusiasts and total beginners.

HOW DOES IT WORK?

The evening starts with a glass of bubbles and moves rapidly into a hilarious, exciting and informative fine wine tasting. "Players" are divided into teams ready to take on a selection of six to eight fantastic wines whose identities have been carefully concealed.*

Prompted by a multiple choice question sheet, complete with pitfalls and booby traps, teams will face five questions on each wine. Jascots' expert staff will be on hand at all times with a hint, a tip or a total red herring depending on the state of the game. Joker cards are played, red and yellow cards are waved and there's inevitable cheating, blackmail, skullduggery and forfeits galore.

Frequent "tottings up" of each team's points build the excitement and finally, amid feverish tension, "To the victor the spoils"! Prizes are awarded and to make quite sure the evening continues to flow and the atmosphere remains entirely convivial, we draw the cork on some impressively large bottles of wine, Imperials (6L) or Double Magnums (3L).

THE PRIZES

Prizes for each member of the winning teams (first and second places) are most often a delicious magnum or bottle of wine in a smart presentation box.* Last but not least the infamous Jascots Wooden Spoon awaits the team with the fewest points.

VENUES

We have staged The Jascots Wine Championship everywhere from the 30th floor of the Gherkin to a back garden marquee; we've even been abroad to entertain friends and clients. We are of course delighted to come to your offices and should you need a venue we have an extensive list of exciting, approved locations to inspire you.
